

I was born and raised in Long Beach, California. My family has served in the military dating back to the Civil War. My father served in the Army for 23 years, he was a POW for 3 ½ years in World War II in the Bataan Death March.

I have been the Yavapai County Supervisor since July 15, 2019. I have worked in customer service and assisted the public for approximately 45 years. I was on Prescott Valley Town Council for a little over 8 years. I serve on many committees and boards that support our community.

I have been married to my husband Kirk since 1993, living in Prescott Valley for over 20 years. We have four sons and ten grandchildren. Two of our sons joined the Army after the 9/11 attacks. Our other two sons live and work in San Diego.

We love to travel by train, ride mountain bikes, and hike.
