

Sanford Cohen is a familiar voice on the radio in Yavapai County. Starting with one station in Prescott Valley in 1985, he and his wife, Terry have built Arizona's Hometown Radio Group with five stations in Yavapai County, five more in Mohave and LaPaz County and the only FM station at the Grand Canyon. His news talk station K Q N A 11-30 AM 99.9 and 95.5 FM features local programs from our Chambers of Commerce and he hosts his own political Roundtable every Thursday at 4pm. K P P V was the Cohen's first station and this week marks the 40th anniversary of the start up of 106.9 FM.

He is the current Chairman of the Prescott Chamber Foundation and former President of the Prescott Valley Chamber. He also served 8 years as President and 12 years on the Downtown Prescott Association Board resulting in the successful construction of the Downtown Parking Garage.

He's with us to talk about their radio history and more!
