

Janel Lamb

As the wife of the American Sheriff, Janel Lamb is focused on Faith, Family, and Freedom. Originally from Minnesota, she has made Arizona her home since 1981. Raising 5 children and working as a hairstylist, flight attendant, and “jack of all trades”, Janel has carved out her niche to support her husband and kept the family rolling. She now speaks all over the country as a voice for conservative women, and being courageous in life, even when circumstances aren't ideal. As a Law Enforcement and political spouse, she shares personal stories of wins and losses, spreads a message of hope, and that we are all in this together!
