

Henry Ebarb, a family man and serial entrepreneur, has deep roots in the Prescott area, with his family's presence dating back to 1894. His education, from elementary through Prescott High School, Yavapai College, and ultimately Northern Arizona University where he earned a Bachelors in Political Science, instilled in him the value of hard work and a comprehensive understanding of the region's needs. As the owner of three companies that serve both the local area and clients worldwide, Henry's candidacy is driven by a desire to guide Prescott not only during his potential term but for the long term. His motivation to join the city council is simply the love of Prescott.
