

To get started:

1) Join the team by clicking the following [link](#) or entering code **Q9W5DC**. You will need to add your child's name (First and Last) to the roster. If you have multiple children in the club, you can add each child or just add one and pool your earnings.

Join our team now and you'll get a \$5 bonus the first time you shop!

2) Download the app on your phone and bookmark FlipGive on your computer.

3) When you shop, go to the app or website and find the store, then click through FlipGive to be credited for any purchases made.

4) Each player's earning are tracked to them personally. When it comes time to receive a disbursement from FlipGive, your team fees will be credited for your specific earnings. To give you an example, one of the best rebates is from Nike, who is currently giving 12% back on your purchases.

A few ways to maximize funds raised:

1) Many stores (like Nike and Starbucks) also have digital gift card options that can be purchased via the app and instantly redeemed in-store (including the Nike outlet).

2) You can invite "supporters" (friends and family) to shop for our team and earn credit for your player as well. Click "More" on the website or app and choose "Invite Supporters".

3) Download [FlipGive's cashback reminder](#). It's a browser extension that will alert you when you're browsing a participating website, so you don't miss a chance to earn money back on your purchases.
