UNITED WOMEN IN FAITH OF INDIANA

President, La Donna Weber

I got nothin'. No, really, I have next to nothing in the new house. For those of you who don't know we have lived in Nashville, Tennessee since 2019 … because the United Methodist Church is a connectional church and has an itinerate ministry. My husband is a United Methodist minister (the itinerate part) and was appointed to one of the denominational agencies rather than to a church (the connectional part). And then in July he retired and it was time for us to come home. So, we bought a house in Indianapolis, had a moving van loaded, and then … nothing. First, they couldn't find a driver. Then the office portion of their facility collapsed. Then the fire marshal and a structural engineer got involved. In the meantime, we are in our lovely new house, and all our stuff is not. This is not the way to downsize.

Actually, we do have some clothes … suitable for 100-degree weather. We have a skillet and a saucepan (forgot the can opener), plates, cups, and cutlery, a set of sheets (for the air mattress, did I mention the air mattress?), a set of towels, and a lamp. And the house has all the usual large appliances so we. are. okay. We also have impatience, frustration, and a bit of anger.

And these are first world problems. We remind ourselves that we are lucky. We have the basics, the grocery store isn't far away, we have the means to buy a sweatshirt or two, we have internet and mobile phones, and we've gotten our library cards. But by golly the Dodgers are in the league championship play-off, and the football season has started and the midterms are approaching. And the TV is on the truck. Along with the paperwork I need for the farm and commentaries for the sermon he needs to write. And these are first world problems.

Jesus calls us to remember the other – the ones without a safe place to rest, the ones who can't feed their children, the ones who don't know why they exist, the ones who have given up. And every now and then life throws us a curve ball, and we get closer to some of those realities. And we are reminded that for some children of God there is no end to the nothing.

My prayer is that this time of turmoil will serve to remind me of why I remain a part of United Women in Faith and all the work that we do with our time and our pledges to mission. That when I struggle to get up from the mattress on the floor (replaced that darn air mattress) I will remember a sister who has no hope of a moving van delivering the bedframe and box springs. That when I struggle to construct a meal with just

a skillet and a saucepan, I will remember a family who has nothing at all to put in a skillet or saucepan. That when I get a video call from our daughter with our grandson, I will remember that somewhere a mother's arms are empty. I pray that I will remember who and whose we serve.

All God's blessings, please – La Donna

Vice President, Jeanie Park Estep

I want to extend a HUGE THANK YOU to all who came to the Annual Celebration and especially to all the participants. The Franklin Grace United Women in Faith were welcoming and very hospitable. Franklin SeniorLife Center was a beautiful and welcoming location for our Friday night dinner. We learned one is never too old to be involved in mission work. During Saturday's afternoon program we were challenged to educate ourselves and learn what we can do in our individual communities to Stop the School to Prison Pipeline. A beautiful liturgical dance by Perfect Praise transitioned us to Installation of Officers and closing with a Love Feast.

Note: If you didn't see it in our October Mini Messenger, check out the summary here.

Important reminder regarding financials

There is to be one checking account in the name of United Methodist Women d/b/a United Women in Faith for each unit. The president of the unit and the treasurer are the signers on the account. The bank will ask for a tax ID number [an EIN] to open a new account. This is held by your United Women in Faith conference treasurer. Please contact her [Carla Gillespie] for the documentation and the appropriate number. Do NOT deposit United Women in Faith funds in a personal account or local church account. Keep all United Women in Faith funds separate from personal and church funds. DO NOT USE YOUR LOCAL CHURCH'S tax ID number [EIN.]

The UWFaith Handbook 2025-2028 is a great resource for treasurers and for all members! Check it out here or on uwfaith.org/digital and search "handbook".

REMINDER: Local Units and District Members should send their pledge contributions to their district treasurer as frequently as possible. The organizations that count on us have financial needs throughout the year.

Send monies with the remittance form which can be found on https://www.inumc.org/united-women-in-faith/ and on the Forms Links of the e-news.

LEADERSHIP DAY

HTTPS://TINYURL.COM/3D744UX2

Join us for a day of Learning

You don't know what you don't know! Join us to find out. The morning will be a sort of United Women in Faith 101 … or maybe graduate level UWFaith! We will look at the basics … purpose, history, structure, and how it all works in Indiana. Plenty of time for questions and answers.

The afternoon session will be tailored to specific parts of our work. One group will be for presidents and treasurers. Another will be for secretaries and the committee on nominations. A third group will focus on telling and resourcing our story, promoting advocacy and mission, and, nurturing and fellowship.

Both sessions are open to all United Women in Faith – you don't need to be an officer! You just need to be interested.

An UNSTOPPABLE Learning Event

Youth and Young Adult Scholarships:

Your $1 of the Indiana United Women in Faith Askings that goes to support Youth and Young Scholarships was well spent this year. 56 youth from 3 Districts went on 5 different Mission trips. Three trips were United Methodist Church sponsored and two were non- UMC sponsored. Our guidelines state that we will pay at 15% of the cost for UMC sponsored trips and 12% of the cost for non-UMC sponsored trips.

If your church is looking for a Mission Trip for 2027, please consider helping United Methodist Disaster Relief with the flood victims of Indiana. The recent heavy rains caused a large amount of flooding all over the state. If your church is interested in helping our fellow Indiana friends and neighbors who were devastated by the floods, you can contact Patty Fisher, Executive Director of Metro Ministries at www.metrodirector1923@gmail.com or Chrissy Brack at the Indiana United Methodist Church Conference office at chrissybrack@inumc.org. As of a few weeks ago, 450 families' homes were being renovated from flood damage. There are many, many more family homes still in need of renovation. We are Jesus' hands and feet when we help our neighbors in need. The 2027 Youth and Young Adult Scholarship applications will be available at the end of 2026.

Mission Today Units:

This has been a year of change for us in United Women in Faith of Indiana with going from 10 Districts to 5 much larger Districts. I had problems obtaining an up-to-date list of 2025 Mission Today Units. The Education and Interpretation Coordinator is now an appointed position, and many Districts do not have a person in that position. The 2026 Mission Today Unit form is due on January 15, 2027. Our Communications Coordinator, Margaret Dennis, has beautifully already revised the form for 2026 and it has been available in the quarterly Mission Messenger and monthly Mini Messenger. Our Units are very active and do so much in Missions. Please send me your 2026 Mission Today forms so you will get credit for all your Unit does. The form can be emailed to me at raewallis@comcast.net or sent in the USPS mail to Rae Wallis, 9431 English

Oak Drive, Indianapolis, IN 46235. Please also send a copy of the Mission Today form to your District E&I Coordinator or President.

For 2025, there were several Units in Eastern Rivers District that I was not notified that should have been in the 2025 list in the Annual Celebration Program. These Units were:

Gold – Covenant; Silver – Churubusco, Cromwell, Waynedale; Bronze – Aldersgate; Honorable Mention – Bluffton First, Huntington Evangelical. Congratulations to these Units and the other Units who did send me their forms. We had a total of 39 Mission today Units for 2025!

Legacy Liaison, Rita Gaither-Gant

At our exciting Legacy Banquet at Assembly, we raised $189,560,69. Our dynamic speaker was Stacey Abrams. Your generosity at Assembly $426,258 which includes the Legacy Banquet total.

The Legacy Endowment Fund Total is $57,532,677. 60!

Indiana has contributed $265,840, which puts us in the lead for the North Central Jurisdiction (but Northern Illinois and Michigan are getting close!). See the full report here.

Thanks, Indiana, for being a part of our *supportive fellowship!*

United Beyond the Gathering

Sisters, take a breath. Let your shoulders soften. What joy we shared at our annual meeting! As we return to our separate lives, let's carry that warmth with us.

Our Purpose calls us "to develop a creative, supportive fellowship." That fellowship grows when we remember the woman behind the names and ask, "Sister, how is your heart?"

Listen to "Please Call Me by My True Names" by Thích Nhất Hạnh. (One version here) Whose face or story comes to mind? While reflecting on this poem, James 5:16 reminded me of the invitation to honesty, prayer, and shared healing. Jeremiah 29:11 points us toward a future with hope and hope we can help one another hold.

This week, reach out to one sister. Celebrate her joy. Listen to her story. Share a little laughter. May we receive the care we so freely give.

God of hope, keep us connected, compassionate, and joyful as we live our purpose together. Amen.

With love and a little holy joy,

Keep your feet grounded, your light shining, and your soul dancing. ♡

As you will notice on our 2027 calendar, we are mixing things up for 2027! Our Spiritual Retreats will both be in early Spring: March in McCormick Creek State Park and April in Lindenwood. Plan to join us. Registration will open early in 2027.

We are also looking at possible ways to hold a Silent Retreat via Zoom so that none of us must travel far. Stay tuned for more information.

Creation Justice Tips (from umcreationjustice.org)

Our faith is built on grace, the gift of second chances. Recycling is a faithful action, extending second changes to Earth.

Landfills pollute the environment, generate potent greenhouse gases, consume massive amounts of land, pose health risks to nearby communities, and negatively affect property values. **Keep items out of landfills.** Recycling is a good option.

Go "thrifting" (another name for recycling). When you **purchase gently used clothing and other items at thrift stores**, you are keeping fabrics out of landfills. Also, shop your own closet for what you can recycle by donating for someone else to use.

Lucille Raines Board President, Cheryl Wilson

In 2026 we are taking a critical look at our ministry to identify ways to be more efficient and sustainable. Needed documents have been added to make us current with Indiana's requirements for a 501(c)3 nonprofit, and existing ones have been updated. It was also necessary to clarify the mission focus of Lucille Raines. Early in the year it was suggested that we might want to add more services for our residents such as medical personnel to monitor medications, and a social worker for in-house therapy, etc. These services might make us more eligible for federal funds but would require a higher level of management and oversight. As we debated, we went back to the original intent for LRR—*transitional housing for those committed to recovery from substance use disorders*. It is for those who have already had in-patient treatment, a half-way house experience, and are ready for more independent living in a supportive community. Our original mission fits directly with the National Alliance of Recovery Residence as a level II facility. The term ¾ house is now outdated.

Level II does not require an Executive Director but is led by a resident team guided by the House Leader. The ED position was eliminated June 29th, and Mariea Strader has been doing as excellent job as House Leader. Jarrett Hill is serving as a part-time Chief Operational Officer. His financial background has been a great asset.

If approved at our LRR annual business meeting in November, the current Board will be reorganized into two groups: a smaller 11-member governing board whose membership will be based partially on needed skill sets, and a much bigger Friends of Raines group who will be guided by a 7-member steering committee. We will still be doing what we have always done, we are just rearranging how we will do it. The Board will more or less take care of running the facility in place of the executive director, and the Friends group will do what the old board mostly did, which was to support the ministry and the residents. These changes are all part of the guidelines of a Level II recovery residence.

But the one thing that makes LRR unique from all the other recovery residences, is the support it receives from the United Women in Faith of Indiana. We almost become like the extended family for our residents. Some grew up in dysfunctional families; some have alienated their families. But by your prayers, your financial support, your encouraging notes, by sending birthday cards, donating items for Raines fest, providing special holiday meals, planting flowers on the patio, donating hand-made quilts, and many more ways, YOU make the residents feel loved. And that opens their hearts to experience God's love in a new and rich way. God bless you as you give!

Lucille Raines RESIDENCE

Mission u Dean, Mary Margaret Willbanks

Hello, my name is Mary Margaret Willbanks and I am honored to be the Dean of Mission u 2027.

We are looking at changing things up a bit for the 2027 Mission u. We're going back to having Mission u for 2 ½ days with each district hosting a Mission u Express in their district.

One of the changes we are looking at is in the location of the Main Event! We are thinking about having Mission u in a hotel or at least having our overnight accommodation in a hotel close to the event venue.

The cost of Mission u will undoubtedly rise by making this choice.

Watch this space for other options for locations, dates, themes and important details!

Communications Coordinator, Margaret Dennis

Is EVERYONE in your unit receiving the District and Conference eNewsletters? If not, have them subscribe here or they can simply email me at margdenn.uwfaith@gmail.com.

Do you know of any unit or district members that don't have email? Offer to print out the newsletters and share with them! We are saving thousands of dollars by relying on eNews, plus we can send information more frequently and in a timelier manner. But it only works if YOU read and share the news! Thanks for helping us spend our resources wisely.

Remember DON'T click on "unsubscribe" unless you really mean it! If you do, you will be taken off ALL our lists within Constant Contact and won't receive any news from conference or your district.

Contact me if you are having any problems, margdenn.uwfaith@gmail.com , and I will help you figure out the best way forward.

Creation Justice Tips (from umcreationjustice.org)

Watch what you recycle. We want to do our part, but 25% of what is going into recycling facilities is wrong and contaminates the output. 1) Make sure the items are dry and not soiled with food. 2) Know your local guidelines for recycling. They are different in different places. 3) Take a tour of your local recycling center. 4) Watch for news about recycling from your local government and spread the word.

Inspire and Nurture the Soul

Nurturing the soul is an essential part of our spiritual journey, helping us grow in faith, find inner peace, and strengthen our relationship with God. Through prayer, reflection, fellowship, and acts of kindness, we nourish our spirits while inspiring and encouraging one another. By sharing our faith, offering support, and lifting each other up, we create meaningful connections that renew our sense of purpose. As United Women in Faith, we are called to nurture our souls, inspire one another, and share God's love through compassion, service, and joy.

From National

We are officially in Year 2 of the Unstoppable Campaign, *Share the Good News Everywhere: Influence*. The Unstoppable campaign is a four-year journey to reach more than 500,000 women with our message of "Real Faith. Real Women. Real Community." This year, we are highlighting the Influence pathway through United Women in Faith's two social justice priorities: Climate Justice and Ending Mass Incarceration and the Criminalization of Communities of Color.

Local units are the daily heartbeat of United Women in Faith! In Year 2 of the Unstoppable Campaign, United Women in Faith units can influence our churches, neighborhoods, and world through our work with the social justice priorities.

Join us for a virtual training on **Tuesday, October 27, from 7:30-9 p.m. ET** to learn about options to learn, act, and lead to invite more women into the sisterhood and further the work. We'll look at a new free resource for units, hear ideas from unit leaders, and spend time building an action plan for the next few months and beyond!

Registration is limited. Gather your members together locally to join us virtually or send a representative to take information back for your unit!

Creation Justice Tips (from umcreationjustice.org)

Even "little" choices make a difference for creation. **Choose aluminum cans over plastic bottles**. Plastic can be successfully recycled just once or twice, and only 3–6% of plastic that makes it to the recycling bin is truly recycled. On the other hand, aluminum can be recycled over and over again—as long as you put the can into the recycle bin.

Recycle your paper and cardboard. The effects of recycling a ton of paper and cardboard are impressive: saving 17 trees, 380 gallons of oil, 3 cubic yards of landfill space, and 7,000 gallons of water. What you do adds up.
