

LEAVING FOR THE SEASON?

We know some of our friends will be packing up and heading home for the winter. Before you leave, we hope you'll consider cleaning out your cupboards, pantry and freezers and dropping off anything you're willing to donate at The Greystone. It will be our pleasure to deliver any unopened food, toiletries and cleaning supplies to the local food banks.

THE GIVING SPIRIT

Christmas was a little brighter last year because of the overwhelming generosity of the Lake Toxaway community. In partnership with Lake Toxaway Charities, we have once again identified local families who need our help. Each family will be anonymously represented as an angel on our tree. We invite you to join us Thursday, December 5th for our annual Christmas tree lighting party. Choose an angel and give back to the community we all love so much. If you're leaving for the winter and want to help, please write a check for \$250 payable to Lake Toxaway Charities.
