

The Gathered Community of Spiritual Directors Covenant Membership 2023

As a Covenant Member, you mean more to us than just a name on a website. Like our name says, we are a “community.” As a community we have expectations. We require all our Covenant Members to follow our Communal Rhythm and Rule of Life, which includes following ethical guidelines without exception.

We hope that you will attend not just our events but consider the events offered by our members and to welcome our members to your events. This is how we grow together!

As a Covenant Member, we are happy to offer you *at no increase of fees this year:*

- ☯ An **Entry on our Website:** <https://www.thegatheredcommunity.org/>
 - A Profile Image will personalize your entry
 - An opportunity for a SD Static Web Page, it’s like a “business card.” \$25/one-time consultation fee. Simple updates can be easily done but if an extensive update is required, an additional fee will be negotiated.
- ☯ **Personalized Logos** (.png) for websites, email, etc. *for use as long as one is a covenant spiritual director. If you are student covenant spiritual director, please let me know when you graduate so I can send yours. Here are the 2 logos I will send you after our online list is finalized at the end of January:*
