TESTIMONY FROM FIRST BAPTIST CHURCH, ODESSA. Pastor Jacob Asher:

*"Life Relaunch has been such a blessing in our church, and I am constantly hearing testimonies of how this ministry is changing hearts and lives. Life Relaunch is a ministry tool that our church has been using for over a year, and we have seen a huge variety of people go through the program. Some people are new to church, and some people have been going to church their entire life, but the main thing is that this program points people to Jesus and helps people find freedom, forgiveness, and life in Christ. It really is a **relaunch** with Jesus at the center. I can say from firsthand experience that their mission statement is a reality. I have seen people experience an awakening to their true identity in Christ, and I have seen lives transformed by the Power of God".*

If you have additional questions, I would be happy to talk more.
