OhioMeansJobs Valued Partner

The November 2020 WCCC Valued Community Partner is the Warren County OhioMeansJobs office.

“OMJ works with our high school and adult students to help with job placement, post-secondary education and related service needs such as transportation,” Career Development Coordinator Yvonne Kaszubowski said in

her nomination. “They have three full-time intake workers and one was at our school every Thursday last school year until the shut-down to work with our students. This year they are offering virtual meetings with students.” Pictured from left: Rick Smith, Yvonne Kaszubowski, Director Matt Fetty, Customer Advocates Kristin Thomas and Josh Hisle.

Spotlight on Success: MA Grad Pursues Degree

WCCC Adult Medical Assistant graduate Sam Huber was on track for a degree and career in engineering when he decided to change course to pursue a career in healthcare. He completed the WCCC Adult Medical Assistant course in September, is employed at Internal Medicine in Beavercreek and is now pursuing Physician Assistant school at the Ohio State University. He said his education at WCCC helped him gain the confidence to continue his education into college.
