

2021 – 2022 Returning Student Registration

As we prepare for the 2021-2022 school year, we kindly request that parents/guardians complete the re-registration process for each of their children who will be continuing at SNS. This re-registration form is due **by Monday, November 16th, 2020. The non-refundable \$250 family re-registration fee will be billed automatically through Smart Tuition on the November tuition invoice. Do not send payment with this form.** Please contact Mrs. Hennessy immediately if there is a concern about the re-registration fee; no family will be denied re-registration due to financial hardship.

For families who are interested in registering a sibling at SNS for the 2021-2022 school year, please list the child's name in the appropriate area below. A formal school application will be sent home to complete the registration process. *Baptismal and birth certificates as well as current immunizations must be submitted at the time of application.*

Please note: Re-registrations received after Monday, November 16th will not be guaranteed 2021-2022 class placement. Placement will be determined on a first come-first served basis.
