

# Secret Santa....the 2020 Edition!

Our students will be changing the way they give to their family this year in order to be safe. We are so excited to help them continue to contribute to festivities this year, albeit in a different way.

Please send in \$15 **per child** to SNS HASA at your convenience.

Our students will be working on a special, handmade, secret gift in school. Your child's gift will then be prepared, packaged, and returned to their family to place beneath the tree!

Virtual families: we are making special accommodations to ensure your children's participation. We will be hosting your students after school on December 3<sup>rd</sup>. Virtual families A-M 3:30-4. N-Z 4:30-5. Please drop your student at the cafeteria entrance. They will complete their masterpiece safely distanced behind the cafeteria Plexiglas.
