

BERWYN PAOLI AREA LITTLE LEAGUE

Spring Registration

Safe, social distance-friendly, outdoor play

Does the promise of a long, cold winter have you and your children longing for Spring? Sun-splashed green fields? The sights and sounds of laughter and healthy outdoor fun in a safe, naturally social-distanced setting?

Berwyn Paoli Area Little League is proud to announce registration for our 2022 Season is now open. To register: www.bpoll.org. For softball registration for girls 6 and above, please visit www.dsll.org.

Our 2021 season was a safe and joyous success because we planned and played smart. Safe distancing, proper hygiene, strict standards and vigilance kept children and adults safe while providing a rich environment of learning, healthy social interaction, and play. New season; same smart approach.

See our website for more details on COVID precautions, age groups, and the Field of Dreams facility. Practices begin in mid-march. Games run from early April through early June.
