Dear Brothers and Sisters in Christ,

What a year we've had together at St. Christopher's Episcopal Church!

That might sound strange. After all, we're all acutely aware that we haven't been able to gather in person for many months now.

But think of how much we *have* done together:

- + **Gathered** online for Compline, Eucharist, and Morning Prayer—and coffee hour
- + **Fed** our neighbors through monthly FACETS meal prep and our Outreach Garden
- + **Made** masks for local children
- + **Enhanced** our grounds and spotted species, earning certification from the Audubon Society as an official Wildlife Sanctuary
- + **Concluded our search** successfully and joyfully with the appointment of the Rev. Carey Connors as our new Priest-in-Charge

This year we celebrate that we are **One Together**—together as the Body of Christ and together as a thriving community eager for the future.

Enclosed is your pledge card for 2021. Between now and St. Christopher's Celebration Sunday on **November 1**—Rev. Carey's first celebrating Holy Eucharist together with us—please consider how you may financially support our life together at St. Christopher's.

Whoever you are and wherever you find yourself, you are welcome at St. Christopher's. We are so glad you're here.

Priest-in-Charge
