

How to Use Facebook Live Without a Facebook Account

St. Christopher's Church will use Facebook Live to stream Holy Eucharist each Sunday 10:30 a.m.

Worshiping Online with St. Christopher's, Phase 2: Mevo Livestream

Great news! The video mission team has successfully tested streaming live from our Mevo camera to our Facebook page. This means we can finally transition from Zoom meetings. The online service will look clear, sound great, and have the prayerful flow we have been missing.

The bulletin blast will come with a link to the St. Christopher's Facebook page: <https://www.facebook.com/St-Christophers-Episcopal-Church-Springfield-VA-227976857216388/> You can also get to the page anytime by going to the church website and clicking on the Facebook logo underneath the contact info.

St. Christopher's Episcopal Church

6320 Hanover Ave
Springfield, VA 22150
703-451-1088 »

You do *not* need a Facebook account to view live video on Facebook! Just follow the link to the page, then click play on the video for the service. The video posts will be named by the service type and date, for instance “Holy Eucharist - October 31, 2021.”

If you want or need to view the recorded service later, it will be available

- On our Facebook page shortly after the livestream ends
- On YouTube, usually by the end of the day

If you have trouble getting to the live service on your computer, tablet, or phone, please contact Meredith Perry at meredithmaple1@gmail.com, Nina Miller at sccparisha@gmail.com, or Deb Kim at ddoehrkim@gmail.com so one of them can talk you through the process before the following Sunday. This is new to all of us so please have patience.
