

Ms. Denney - Owl's Nest

WEEKLY NEWSLETTER

Families,
It has been a great week back from Thanksgiving break! In reading this week we studied narrative nonfiction texts. In math, we focused on using skip-jumps to add two-digit numbers. During number corner we began surveying our class for data, such as our favorite colors and books. In science, we wrapped up our unit on matter by observing changes in states of matter.

Week of:

12/6 - 12/10

Learning Focus

Reading: Fiction and nonfiction; Syllables

Math: Adding and subtracting two-digits numbers on the number line

Social Studies/Writing: Introducing narratives

EVENTS

12/10 - Road Runner Day/Early Release

Ms. Denney - Owl's Nest

WEEKLY NEWSLETTER

Observing a liquid change to a gas!

Fun in the snow!
