

Our 4-Town Future

Come to Forums to Share Your Ideas for the Future

Join friends and neighbors from across the region to discuss assets, challenges, and ideas for the future. Forums will be facilitated by the Vermont Council on Rural Development, a neutral facilitator of public process invited by the Selectboards of each town to work on behalf of the region. This is the first step in a process to identify opportunities, address critical challenges across the region, and connect to resources to move action priorities forward. Attend the forums most important to you and come to the free community dinners!
