

Ms. Denney - Owl's Nest

WEEKLY NEWSLETTER

This week in second grade we continued using inches, feet, and yards to measure different objects. We discussed when it would be best to use a ruler, yardstick, or a measuring tape when measuring. We played games during phonics to focus on words with ending consonant clusters. During reading, we looked at familiar stories and discussed how the illustrator gives us more details through illustrations. In writing, we finished the endings of our personal narratives! Next up - editing, revising, and publishing!

Week of:

2/7 - 2/11

Learning Focus

Phonics: Double vowels

Reading: Studying illustrations in fiction texts

Math: Comparing measurements

Writing: Publishing personal narratives

EVENTS

2/10	100th Day of School
2/11	Early Release
	Roadrunner Day
2/14	Valentine's Day
