

September 28, 2018

Dear Families,

In one week, the Newton School will be participating in our annual, school-wide Hike for Hunger on October 5th. The rain date is October 12th. This year we will hike Shoemaker Hill. It is a little more than one mile.

Students will be broken into groups of five from each cluster and participate in activities that focus on hunger in our community as well as globally.

We are asking families to help with this awareness by donating non-perishable, non-expired goods to your student's homeroom or by donating money. Dried goods will be donated to the Safe Haven in Sharon. Monetary donations will be given to the Strafford Food Shelf, managed by Coburns. The Newton School and the community appreciates your generosity.

Your student should come to school on Friday with the following:

- Sturdy close-toed shoes with socks
- Long pants
- Weather and temperature appropriate outerwear
- A water-bottle that seals
- A snack or plan to purchase snack from school

Parents and families are invited to join us on our hike. We hope to see you there! If you have any questions, please contact your child's homeroom teacher.
