

HealthHUB School Clinic

Serving the Vermont towns of South Royalton, Strafford, Chelsea, Sharon, Bethel, Tunbridge, Orange, Washington, Stockbridge, Randolph, Rochester, and Williamstown

HealthHub is pleased to announce a new asthma education program for children with asthma and their families. Choose the Date and Location that works for you!

What: *Learn about the basics of Asthma
*Learn about "Asthma Action Plans"
*Understand the importance of children getting to school and being ready to learn.
*Tips on healthy communication with family, school, and child's doctor.

Who: Dr. Robert Klein, MD, pulmonary doctor, and HealthHub School Clinic Board member and Dr. Ellen Gnaedinger, APRN, nurse practitioner with HealthHub School Clinic

Three different dates and locations (Please RSVP to **your school nurse**):

1. **Tunbridge Central School** (including South Royalton, Sharon Elementary, Sharon Academy, Newton School, Chelsea School, and Orange County Parent Child Center)

When: Wednesday February 20th at 5:30PM in the Library

- Pizza, fruit, and beverage provided
- Childcare provided
- All who attend will be entered in a raffle for 2 Hannaford gift cards

2. **Stockbridge:** (including Rochester and Bethel)

When: Wednesday March 6th at 5:30PM in the Multipurpose room

- Pizza, fruit, and beverage provided
- All who attend will be entered in a raffle for 2 Hannaford gift cards

3. **Williamstown:** (including Orange, Washington, and Northfield)

When: Wednesday March 13th at 5:30PM at the high school cafeteria

- Pizza, fruit, and beverage provided
- Childcare provided
- All who attend will be entered in a raffle for 2 Hannaford gift cards

Dr. Robert Klein is recently retired from the position of Chief of Pediatrics at Brown Medical School where he also was medical director of Hasbro Children's Hospital and director of their asthma center. He has happily moved back to Strafford, Vermont. Dr. Klein developed this asthma education program with great success for schools in Rhode Island.
