Greg Bagnato
Principal

**Kindergarten Visit
Friday, May 24th
10:00 -11:00 am**

On Friday, May 24th, all incoming kindergartners for 2019-2020 are invited to visit the Newton School kindergarten from 10:00 to 11:00 am. They will join the current class of kindergartners for a story, activity, and tour of the school.

Anmari Kicza, the kindergarten teacher, will read a story and lead an activity in the garden (weather permitting). Greg Bagnato, the principal, will lead a tour of the school.

If your child is enrolled at the Creative Preschool on Friday, they will walk up from the preschool with a teacher. Parents of those children do not need to accompany them. All other children will need an adult to stay during the visit.

This is an opportunity for the children to come to the big school and start getting to know their teachers, the building, and some of the K-2 students. It is also helpful for incoming students to spend some time in the classroom before screening day.

Please contact us with any questions. Thank you.
