

# Ms. Denney - Owl's Nest

## WEEKLY NEWSLETTER

Families,  
It has been such a fun week! On Wednesday, we were visited by a snowplow that we had the chance to name Rumble! In math we completed unit 2 and began thinking about twos and recognizing patterns. In reading we looked at illustrations and found writing that showed how characters are thinking and feeling. After reading the story *Balloons Over Broadway*, we began a STEM project where we designed and created balloon floats for our own version of Macy's Thanksgiving Day Parade!

Week of:

11/22 - 11/26

### Learning Focus

Reading: Character's feelings and thoughts; Studying narrative nonfiction (week of 11/29)

Math: Tens and ones

Science/Social Studies:  
Balloon animal parade;  
What we are thankful for

### EVENTS

11/24 - 11/26

No school

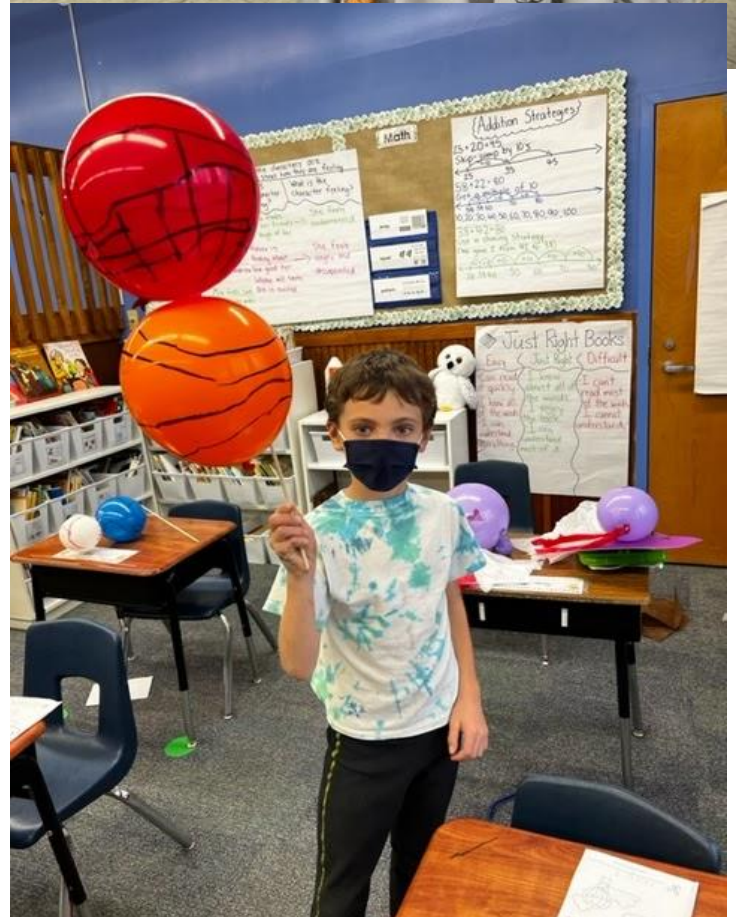

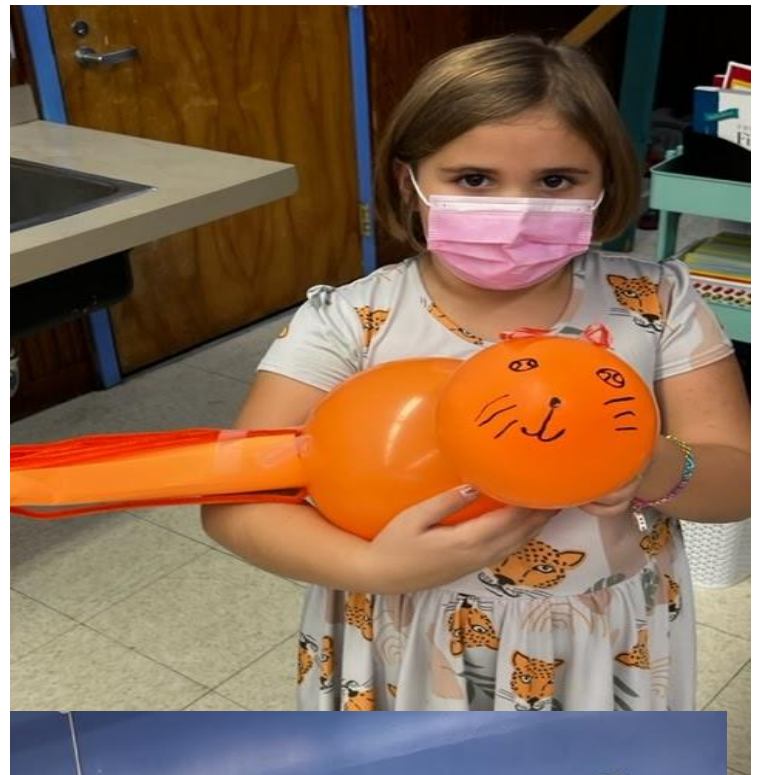

- Thanksgiving Break
