

Ms. Denney - Owl's Nest

WEEKLY NEWSLETTER

Happy New Year!
During writing we came up with our own new year's resolutions that we would like to accomplish in 2023. In math our focus has been on using different strategies to solve two-digit addition word problems. We spent time this week reading different Jan Brett books and studied what her texts always have in common. Ask your child what they thought about the ending of our recent chapter book read aloud, *The Wild Robot*!

Week of:

1/16 - 1/20

Learning Focus

Phonics: Multisyllable words with silent e

Reading: Poems

Math: Creating word problems

Science: Structure and properties of matter

EVENTS
