

One Planet is currently recruiting coaches for our spring trimester. This is a group for all levels so whether you're a runner or not we invite you to come have fun and make a difference in the life of some local children. So don't be scared by that word "running" as we have had very few "runners" coach a team!

Finding our Stride is a partnership with the Children's Fund of the Upper Valley. We can't promise that after this program you will be able to run a marathon but we can promise you that you will have fun, get a nice stipend and most importantly watch kids learn and grow and did I mention have fun yourself!
