

# Public Sector Cards and Payments

**We deliver integrated solutions designed to help Housing Authorities run their programs better every day.**

Our team of dedicated Cards and Payments experts understands the need to create a positive resident experience by building and maintaining high-quality housing that is affordable, while also contributing toward the improvement of local communities and maintaining a focus on federal and state regulations. Our integrated solutions will help you meet your goals by providing the services needed to deliver on your mission while remaining within budget.

Housing Authority Goals	How Key Delivers
<b>Forecast and manage annual budget process</b>	<ul style="list-style-type: none"><li>Sharing expertise and advice on paper-to-electronic-payments conversion</li><li>Providing customized collections solutions that drive efficiencies</li></ul>
<b>Improve resident experience</b>	<ul style="list-style-type: none"><li>Enabling electronic and secure card-based options for resident payments for rent and utility subsidies</li><li>Leveraging electronic payment options to improve the timing and accuracy of rent payment collections</li></ul>
<b>Adhere to federal and state regulations</b>	<ul style="list-style-type: none"><li>Offering secure, real-time access to critical account and payment details</li><li>Monitoring activity to help protect funds from fraudulent activity</li><li>Integrating information with accounting systems for accurate reporting</li></ul>
