

**The Mustard Seed invites you to our
Fall Turkey Toss Event**

We are back, Kamloops! Join The Mustard Seed for the exciting Turkey Toss event, where we'll toss turkeys, raise funds, and engage our community. We're honored to be part of Kamloops, raising hope and supporting impactful programs for our most vulnerable.

We challenge community-minded businesses to form teams and participate in our Turkey Toss Challenge! Your sponsorship guarantees your team's participation, or you can simply choose to be a supporter and benefactor.

Join us on Wednesday, October 9th, as Kamloops businesses unite for a fun-filled day, tossing plush turkeys and fundraising for a great cause. Your support is essential!

**Corporate Sponsorship:
Elevating Communities Through Partnership**

Corporate sponsorship is a direct and impactful means of investing in our community while harnessing branding and marketing opportunities to amplify your brand's message. Corporate sponsorship creates a significant positive impact in our communities and offers engaging opportunities for clients, company staff, and stakeholders.

At The Mustard Seed, we utilize corporate sponsorship to bridge the business community with our vital programs. We extend our heartfelt gratitude for your invaluable support, which plays a critical role in uplifting and supporting our community members.
