

Project Transformation Tennessee

Summer Internship for Young Adults

Project Transformation believes that relationships can transform communities. Without relationships, neighbors are disconnected and communities are fractured. At PT, *young adults are part of the solution*, bridging the gaps between neighbors.

Interns work hard- *really hard*- as they love God and neighbor.

Here's what that looks like:

- Plan and lead a summer day camp for children
- Live in intentional Christian community with other interns
- Learn from Christ-inspired church and community leaders
- Explore faith in action

Competitive applicants will be dynamic young people who:

- Desire to serve God and neighbor
- Believe in laughter, dancing, and life beyond comfort zones
- Get excited about engaging with new people and experiences
- Are willing to sit with the unknown
- Want to harness their skills to make an impact
- Have hope for a better world

Internship details:

- Compensation: \$3,240 to \$4,000 (potential cash pay scale depending on position for 40 hours per week)
 - *In addition to a paycheck, the total compensation package includes housing, meals, and gear
- Service term: May 25 to July 29, 2022
- Placements: Nashville, Memphis, Murfreesboro, Clarksville
