

We've Kicked off our 2020 Annual Campaign!

Our Annual Campaign is the major fundraising campaign for the Muscatine Community YMCA.

Funds raised help those who need it most by providing financial assistance to youth, teens, and families, and ensures that no one is denied the opportunity to share in the Y experience due to the inability to pay.

The 2020 Annual Campaign goal is \$75,000

Youth Development...At the Y, we help children and teens learn values and positive behaviors, explore their unique talents and interests, helping them realize their potential. That makes for confident kids today and contributing and engaged adults tomorrow.

Healthy Living...Being healthy means more than simply being physically active. It's about maintaining a balanced spirit, mind and body. The Y is a place where you can work toward that balance by fostering connections with friends, or bringing your loved ones closer together through our many family-centered activities. At the Y, it's not about the activity you choose as much as it is about the benefits of living healthier on the inside as well as the outside.

Social Responsibility...At the Y, strengthening the community is our cause. As one, we move people and communities forward. That's why we are committed to providing support to our neighbors and opportunities for kids, adults and families. Please consider helping us as we strive to meet the needs of our community.

Last year over 1,000 people were able to join in the Y experience
