CHECK OUT WHAT CKCA MEMBERS ARE SAYING ABOUT THEIR BENEFITS

"We had an anticipated savings of \$80,000 in 2019.

We moved from an ASO plan and were unsure of how a more restricted plan would work for our 280 employees.

The transition was painless. The Ingenious team was well organized and on top of everything, including getting us transitioned in the middle of a pandemic. There was enough flexibility to make a few minor benefit adjustments for our plan. The benefits that we are now able to provide are better than before."

Marion Fitzpatrick, HR Manager, Frendel Kitchens

"We're saving more than \$60,000 in the first year!

The changeover from our current plan was easy plus we received more coverage.

This is a great program and whether you're already a CKCA member or not, this program makes it very worthwhile to be a member of CKCA. Huge savings, networking, education and so much more, I recommend you get onboard and join the CKCA!"

Luke Elias, President | Muskoka Cabinet Company
