

Hello everybody,

We are excited to welcome you all to SBJSA! This is an excellent opportunity for all levels of sailors to have a fun, safe, and educational experience to develop your camper's sailing skills while making new friends.

During camp, campers will experience great teaching from our instructors who will work with each sailor for personalized instruction and guidance. Our experienced instructors are capable of teaching all boats we offer at camp and are looking forward to seeing everyone on campus.

Our campers will have the opportunity to participate in fun filled activities throughout the day as well as other fun events throughout the summer that you can check out on our calendar on our website. Please be sure to pack all the necessary clothing and gear for sailing including lifejacket, closed toed shoes, sunscreen, hat, and water bottle to stay hydrated.

If you have any questions or concerns before camp begins please don't hesitate to reach out to us. We look forward to meeting you all and sharing the great Sodus Bay!

Kind Regards,  
Lilly Casamento  
Camp Program Director
