

Setting the Course

From the Executive Director

Hello Everyone!

We are so excited, as the 2023 sailing camp season is about a month away. We will be kicking off our season with our Open House on Memorial Day weekend.

As we put the finishing touches on our season. You can expect some of our traditional programming and some exciting new additions. We have expanded hours of operation to provide campers with additional time on the water. We will open camp at 8:30 a.m. and end the day at 4:30 p.m. In addition to extending the hours we are now accepting campers as young as 6 years old in the Opti-Boomer Program. Stay tuned on what is being served for lunch during weeks 2-7. We are working on finalizing the details for free lunch for all campers during weeks 3 thru 7. We will have more information to come on this wonderful opportunity.

Thanks to the generous support from our Donors, ESL Credit Union in collaboration with Sodus Central School, SBJSA was awarded a Grant to provide at least 35 young people from SCSD an opportunity to attend camp. Applications for Sailorships can be found on our web page. Better hurry... available spaces are filling fast!

Also new this year, SBJSA is the proud recipient of grant funding from Wayne County Community Endowment for our Family and Adult Community Boating Program. We will be offering Sailorships for Adult Learn to Sail programs as well as Family Community Boating Memberships.

Due to popular demand we are extending our youth summer sailing programming into an extra week (August 7 - 11). Registration information can be found on our web page. In addition, during this extra week of programming we will be offering students who may be new to racing an opportunity to find out more about racing and to see what it's like to be on the Race Team. With a diverse schedule of programming coming this Summer, SBJSA will continue its legacy of providing the Sodus Bay area community with a unique resource to find fun and make new friends on the water this summer.
