Lovely Lunches Program

Hello Parents!

We are so excited to introduce ourselves and our lunch service to the new and returning parents. We are Lovely Lunches, and we have collectively been serving healthy and tasty lunches to schools in the greater Seattle area for over 10 years. We are a family owned and operated school lunch and catering program.

All lunches will be prepared in our nut-free facility, they will be individually packaged in single use containers, keeping waste and landfill items to an absolute minimum and will be delivered to the school with minimal contact. All our meals are prepared in-house, using a minimum of processed ingredients. We use as many local and organic products as possible to prepare our lunches and take great care in our preparation. All lunches are served with a main entrée with a side of a grain, bread, crackers or pasta, along with fresh fruit and a vegetable side.

We use an on-line ordering system (Boonli) that you will be able to access at any time with your account. See the reverse of this letter for detailed information. Each day you will have several items to choose from. We are aware that many children have food needs out of the mainstream, so we like to offer a vegan/dairy-free and/or gluten free entrée most days of the week. This way all children have a chance to be included in the lunch program. Please be aware that due to supply chain issues, we will be limiting daily choices, along with keeping our vegan/vegetarian and allergy students in mind.

We add new, delicious, and kid-tested entrées every few months and we will be rotating the lunch menu seasonally with a few changes each month.

We are always open to your ideas, to what your child's favorite meals are, and for your comments and feedback. Feel free to send them on to us at Lovelylunches@yahoo.com.

Thank you for supporting the lunch program and welcome to the new school year!
