

Clubs at Billings // Fall 2026

This fall, we are excited to offer three new afterschool clubs that will take place in addition to our after school sports offerings. We will continue to offer several “lunch clubs” but these do not require a formal sign-up. In order to register your child for the club, please fill out the form on the second page of this document and return it to robh@billingsmiddleschool.org or return a hardcopy to the front desk. The registration deadline is **October 2** and we may not be able to accept registrations after this date depending on numbers. If a club does not reach the minimum threshold of 7 students, we will not be able to offer the experience. These clubs will run consistently throughout the semester on school days and we will notify you if the club is unable to run on a particular day. Please see a description of the experiences below!

CLUB + FACULTY	DESCRIPTION	MEETING DAY/TIME
Art Club with Becca	If you are a seasoned scribbler or a casual doodler, come let your creativity run free in Art Club. We will offer the opportunity to work with various different mediums and styles while pushing students to hone their talents.	Mondays 3:45-5:00 [Starts 10/5]
Robotics with Andy and Marc	Robotics club is designed for students who are interested in hands-on learning experiences that introduce them to the building blocks of coding and programming using standards-aligned Lego Education Kits. The club has a few important goals for this first year: to give students exposure to computer science and the algorithms needed to create robotic movements and reactions; to spark interest in high school robotics; and, most importantly, to have fun!	Tuesdays 3:45-5:00 [Starts 10/13]
Dungeons and Dragons with Shannon	Epic adventure and team building fun await in Dungeons and Dragons Club! Join us after school on Wednesdays as we use our imaginations and DnD core rules to create characters that perform heroic feats while exploring fantastical worlds. Supported by a Billings parent, we will form small groups and start campaigns with student players and leaders. Shannon Otto, Spieck's mom, has years of experience leading Dungeons and Dragons for kids and teens. With a background in speech therapy and basketball coaching, she loves supporting kids in having fun and building team skills. She is looking forward to this opportunity to build community at Billings and provide a great experience for the students. Materials will be provided: dice, pen and paper, character sheets, and story manuals. All experience levels are welcome!	Wednesdays 3:45-5:00 [Starts 10/7]

Fall 2026 Club Registration

All clubs have limited space available. Please return your registration form to the front desk or via email to robh@billingsmiddleschool.org

There is no fee for participation in clubs for students as clubs costs are included in your tuition. There is an expectation that students who sign up for clubs commit to the club and complete the entire session they sign up for.

My student _____ has my permission to stay before and/or after school to participate in the following club(s) (please indicate):

<i>SIGN ME UP!</i>	<i>CLUB</i>	<i>MEETING DAY/TIME</i>
	Art Club	Mondays 3:45-5:00pm
	Robotics	Tuesdays 3:45-5:00pm
	Dungeons and Dragons	Wednesdays 3:45-5:00pm

WAIVER:

I understand that all activities, including clubs, involve a certain amount of risk of injury. I understand the risks involved in this activity and that Billings cannot eliminate or prevent injuries from occurring to participants. I hereby give my permission for my child to participate in this activity and I assume and accept all risks related to such participation.

I agree that Billings, its officers, trustees, employees and agents shall not be liable for injuries or harm to my student or my child's property or be subject to any claim or demand for any damages, loss, injury, or medical expenses whatsoever arising out of my child's participation in Billings' after school clubs. I hereby give my permission that in the event of an illness or injury, my child may be treated for such illness or injury.
