# Stretch, Support, Inspire Clubs
# Fall B Session: January 14—March 3

Please see the registration form below to sign your student(s) up for clubs—clubs and sports may sometimes run into conflict, so please have that in mind while making your decision. Students can only sign up for one club each day of the week.

Clubs have minimum and maximum participation levels. Should a club exceed the maximum amount of sign-ups, a lottery system will be implemented to decide the roster. The deadline for club sign-ups is end-of-day **Tuesday, January 7th**. Students and parents will be notified of their status when club rosters are decided by **Friday, January 10th** at the latest. Late entries for clubs that reach capacity will be put on a waitlist.

Forms should be emailed to the front desk email or turned in to Becca at the Front Desk. There is no fee for participation in clubs as costs are included in your tuition. There is an expectation that students who sign up for clubs commit to the club and complete the entire session they sign up for. Feel free to send any questions about clubs to Becca at **frontdesk@billingsmiddleschool.org**.
