

**Eldon** has been a pillar of relational ministry for our Region. He has gone above and beyond the call of duty to care for our pastors and our churches. He is a treasury of insight and wisdom in serving others and honoring Christ. His input has been invaluable in all the transitions we have had over the past couple of years. His service in the CB movement is a legacy that needs no explanation. As he retires he leaves a wonderful legacy of faith and relationships. His impact has been amazing.

We will miss Eldon, his jokes and the stability he has brought to CB (now VCN). He has run the race well and we will certainly miss him in this

invaluable role as our network coordinator. Certainly God has used him to expand His kingdom work and to honor Christ so well. Thank you Eldon for your character, commitment and compassion for serving the Lord and others. You have lived an extraordinary life to the glory of your heavenly Father.

Blessing my friend. May you find a new chapter in life that continues to experience His richest blessing so you may continue to be a blessing to so many.

In His grace,  
Brad Little

*Thank  
You*
