

VBS – A Serious Business

As we enter the fall season this is a good time to reflect on exciting events from this past summer. We had one of those at Eureka Baptist during the second week of July. Every year kids come from all over our community to join us for a week of Vacation Bible School. This is always a neat time to see new faces of children who do not have a church. We see this week as a wonderful opportunity to share the good news of Jesus Christ with everyone in attendance. We take this very seriously realizing this may be the first time some have heard that Christ died for their sins and was raised from the dead. Our theme this year was, "The Treasure of God's Word." Our goal was not only to share the gospel with them but also to speak into their young minds that the Bible is the only book written by God.

We had many activities that you would normally see at a Vacation Bible School, but each of the activities was centered on the theme of the treasure of God's Word. Each evening I was able to share the gospel with all of the children and invite them to believe in Jesus Christ. We prayed that seeds would be planted and these children would trust in Christ and follow him all the days of their lives.

One highlight from the week was that a slip and slide tarp was set up for the children to slide down. Even some of the adults got into the action. It was a fun week, but more importantly the children were presented with the truth of God's Word. Would you pray with us that these students would come to know Christ as their Lord, Savior, and Treasure.

*Grace and Peace,
