

With the holidays approaching, our OT department would like to share some ideas and suggestions for fun and functional toys and activities:

**Fine Motor/Hand Strengthening:**

- playdough tools and toys (fun factory, rolling pins, cookie cutters)
- pegs and pegboards
- sticker books and stickers
- Super Sorting Pie game
- Mini Muffin Match Up counting toy set
- Connect Four
- Shark Bite
- Perfection

**Sensory-Motor Activities:**

*\*you can find these on [amazon.com](https://www.amazon.com)*

- tunnel
- trampoline (with handle)
- ball pit (small size)
- swing sets

**Visual Perceptual and Bilateral Integration Skills:**

- inset or simple interlocking puzzles
- construction toys
- toy instruments (accordion, drum, xylophone)
- velcro fruit
- toy kitchen
- Shape Sorting Cupcakes
- Egg Shape Sorter
- Mr. Potato Head
- Pop-Up Pirate
- Pound a Peg classic toy
- Pound-a-ball

**Pre-writing Skills:**

- easel
- fingerpaint
- triangle crayons

- Crayola Pip-Squeaks markers

### **Sensory Play Activities:**

- Kinetic Sand
- Koosh Ball
- Wikki Stix
- Floam

**When choosing toys and activities, please consider your child's abilities and interests. Remember to challenge them and set them up for success!**
