January 2021

Dear Friend:

The New Interdisciplinary School (NIS), a not-for-profit school that serves nearly 400 children with and without disabilities from birth to age five, is having our 24th annual golf outing at the **Port Jefferson Country Club** on **Monday, May 24, 2021**. NIS's golf outing is our largest annual fundraiser, and we rely on the funding we receive for this event to continue the critical programs and services we provide to our students and their families.

*Donations are needed now more than ever before due to increased expenses and decreased revenue related to the COVID-19 pandemic, so your support is greatly appreciated. Please consider supporting NIS by attending or sponsoring the outing, or by providing us with a raffle or monetary donation to help us fulfill our goal. **The proceeds from this year's event will go toward building a nature trail.***

The tax ID number of Friends of NIS, Inc. is 11-2988931. Please make your check payable to Friends of NIS and mail it to my attention to the address above. You can also make your donation on our website at www.niskids.org/home/NIS-golf-outing. I can be reached at (631) 924-5583, ext. 128 or via e-mail at SusanC2@niskids.org. I look forward to hearing from you soon.

The New Interdisciplinary School is an innovative early childhood learning center that respects the unique needs of all children and their families. Our commitment is to provide therapeutic and educational services in a nurturing environment with the highest standard of expertise. We believe each child, regardless of disability, race or socioeconomic status, has the right to develop to his/her full potential. Thank you for your consideration.

Sincerely,

Susan Cali
