

DEDICATIONS

NIS will be offering a yearbook featuring all students, not just those who are graduating! Even our infants and toddlers will be included! We are dedicating a page for parents and friends of our students to write congratulatory or encouraging words, or to share memories of our NIS students.

If you are interested in placing a dedication in the yearbook, please complete this form and submit it with payment **no later than April 20th**. You may include 80 characters per line, including spaces, for \$5 per line. An example of a dedication may be the following: *Greg, you're an amazing student. We are so proud of how hard you've worked. Love, Grandma and Grandpa.* (This is 103 characters and would cost \$10.) Please send cash or checks made payable to Friends of NIS.

Please note that we are limited on space and all dedications will be accepted on a first come, first served basis. If you have any questions, please send them to nisyearbook123@gmail.com. Thank you!
