

St. Patrick's Day playdough

Ingredients for glittery gold:

3 cups of flour
1/2 cup of salt
6 tablespoons cream of tartar
3 tablespoons of vegetable oil
3 cups of water
yellow food coloring {a couple squirts}
1/2 cup or more of gold glitter

Ingredients for shamrocking green:

3 cups of flour
1/2 cup of salt
6 tablespoons cream of tartar
3 tablespoons of vegetable oil
3 cups of water
green food gel {several good squirts}
1/2 cup or more of green glitter

- Add all ingredients to a pot.
- Mix until the lumps are gone.
- Cook over low heat, stirring frequently.
- The dough will thicken and pull away from the sides of the pot. Turn off the heat once the dough thickens but is still a little sticky, then allow it to cool enough to handle. After it cools enough, dump the still tacky dough onto a clean counter and knead it until smooth and no longer sticky.
- Add gold coins and shamrock cookie cutters, and enjoy!
