January 2019

Dear Parent:

IGHL, The New Interdisciplinary School's parent company, will be having its annual St. Patrick's Day Corned Beef and Cabbage Dinner and Chinese Auction on Friday, March 15<sup>th</sup>, 2019, from 4-9 PM at The IGHL Opportunity Center in Manorville, NY. The proceeds from this event will benefit The IGHL Opportunity Center and childcare at The New Interdisciplinary School (NIS).

We rely on attractive Chinese Auction raffle prizes to offer our attendees to make this event a financial success. We utilize the donations we receive from this outing to enhance the critical programs we provide to our student population. Please consider donating a raffle prize or a monetary donation to support our cause. Our tax ID number is 11-2428403.

*The New Interdisciplinary School is an innovative early childhood learning center that respects the unique needs of all children and their families. Our commitment is to provide therapeutic and educational services in a nurturing environment with the highest standard of expertise. We believe each child, regardless of disability, race or socioeconomic status, has the right to develop to his/her full potential.*

NIS does receive funding from New York State to cover tuition and transportation costs for students with disabilities. This funding underwrites the cost of direct services for the children, however, money for extra-curricular equipment and activities, like our Therapeutic Horseback Riding program, new classroom furniture, computers, and educational toys, games and puzzles, comes only through fundraising efforts. Money realized through these avenues is limited, so we need your help today!

Any contribution you can make that will allow us to realize our goal of enhancing programs for our children, would be greatly appreciated. If you require additional information, please call me at (631) 924-5583, ext. 128. I look forward to hearing from you soon.

Sincerely,

*Susan Cali*
