

NIS

A Learning Center for Children and their Families

May 5, 2020

Dear NIS Families:

As you may be aware, Governor Cuomo has announced that school will remain closed for the rest of this school year. The decision regarding summer school will hopefully be made by the end of May. While this is heartbreaking to us all at NIS, and it is not the end of the year we had hoped and planned for, we will get through this together.

We will continue our remote learning through the rest of this school year. As always, your child's and your family's well-being is important to us.

Please know we are working on a plan for all of your child's belongings to be returned to you, as well as a plan to celebrate our graduates. Look for updates over the next few weeks.

If you have any questions please email me at kristenm@niskids.org

Sincerely,

Kristen Moran-Daleo
