

Leaf Pile

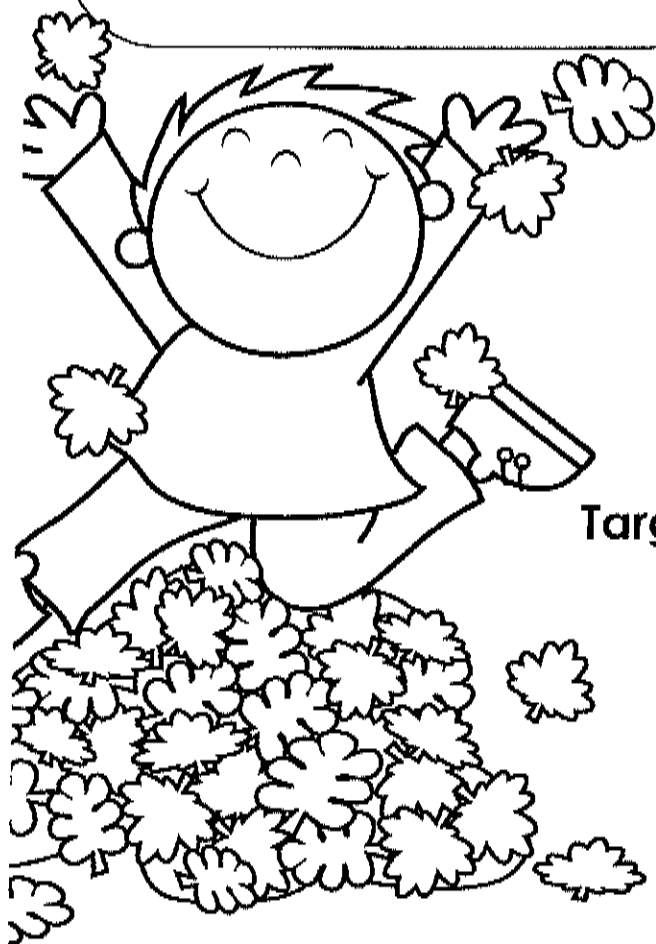

Language Activity:

Make a leaf pile using a rake. Talk about how big the pile is. Compare it to your child. Which is bigger? Make another pile. Is that one smaller? Use as many comparison words as you can.

Concept Focus:

Together/Apart

Talk about how the leaves are spread apart on the ground. As you rake them up, talk about how they are close together.

Target Vocab:

leaf
change
autumn
fall
rake
pile

Speech Activity:

Think of an item that has your speech sound. Use leaves and try to make that shape on the ground!

Example: /s/ sound
circle
soda bottle
square
school
