

Palliative Care ECHO Series

*Incorporating a Palliative Approach
into your Primary Care Practice*

with Dr. Erin Gallagher, MD, CCFP (PC) MPH

Dr. Erin Gallagher is an Associate Professor in the Department of Family Medicine at McMaster University. She is a Family Physician and Clinical Supervisor at Stonechurch Family Health Centre in Hamilton and a Palliative Care Consultant for the McMaster Family Health Team and Hamilton Health Sciences Hospitals. Erin is the Medical Director at Emmanuel House hospice in Hamilton and the Ontario Health West Physician Clinical Co-Lead for Palliative Care.
