The goal of UCP/Detroit is to promote “Life without Limits” by working to advance the independence of all people with disabilities, supporting their right to self-determination and community inclusion.

The goal of the Annual “Life without Limits through Assistive Technology” Conference is to provide access to information, resources to families, individuals with disabilities and professionals.

***The mission of United Cerebral Palsy of Metropolitan Detroit (UCP/Detroit) is to advance the independence of all people with disabilities while supporting their right to self-determination and inclusion through programs that focus on person centered advocacy, employment and assistive technology.***
