NATIONAL CANCER REGISTRARS WEEK (NCRW) 8

PHOTOGRAPHY/VIDEOGRAPHY DISCLAIMER

By attending the Los Angeles Cancer Surveillance Program's (CSP's) Annual Educational Symposium, you may be subject to photography or videography which may be used by CSP to promote the symposium or other events. By attending, you agree to grant CSP the right to use your likeness in any photography, videography, and/or marketing materials that include, but is not limited to, the CSP website and program brochure.

ACCESSIBILITY AT THE CALIFORNIA ENDOWMENT

Conference center facilities are designed to include the full participation and enjoyment of people with physical disabilities as well as those who are not fluent in English.

Meeting rooms and restrooms are wheelchair accessible. A list of recommended interpreters for most commonly used languages in California is available upon request.

At The Center for Healthy Communities Los Angeles and Sacramento, assisted listening devices are available for the deaf and hearing impaired, and simultaneous interpretation equipment is available in some rooms.

CONFERENCE LOCATION

The Los Angeles Cancer Surveillance Program (CSP) is hosting the symposium event in a hybrid format. Please join us in-person or virtually!

REGISTRATION

Registration is Required by April 4th, 2025

To register, please submit your information at this link:
https://tinyurl.com/cspsymp2025

Each attendee must register individually

You will receive an email with a copy of your responses after submitting the registration form. This is your confirmation email indicating your RSVP has been received.

If you do not receive confirmation, you are not registered for the Symposium.

Additional information will be sent to each registered attendee prior to the Symposium.

If you have any questions, please e-mail **csp.symposium@usc.edu**.

PROGRAM OBJECTIVES

- To showcase how cancer registry data are used in cancer research to advance knowledge.
- To highlight the impact of cancer surveillance on improving cancer outcomes.
- To stimulate awareness, interest, collaborations, and actions for cancer control.

5.0 CE Units pending approval by NCRA
