

# Why should you join the Chamber?

*We ensure that every member's voice is heard. Our Ambassador program is always looking for new participants who want to be an active voice for their business and the entire Chamber community. What's important to our members is important to us.*

**Advocate**

*The Chamber is an expansive network of area businesses looking to connect with others. Events such as our Golf Outing and Business After Hours boast the perfect setting to get to know fellow members and establish rapport with local business leaders.*

**Network**

**Member Benefits**

*Our priority is to encourage connection and growth among all of our members. We extend ribbon cutting offers to each new member, as well as any member unveiling a re-brand, remodel or new facility. On top of these public ceremonies, we also host an annual Oktoberfest Business Expo for members to meet potential customers in a fun, relaxed setting.*

**Grow**

**Advertise**

*Every member has a unique login to our Member Information Center, where members can post announcements, deals, job and events to our public website. The same information will be distributed to more than 900 contacts in our weekly newsletter. Members can also gain exposure through our social media channels.*

*On top of tangible business benefits, we also offer our members opportunities to celebrate their successes. Our Annual Dinner is a way to highlight the value each of our members contribute to the community, and we host the Mayor's Prayer Breakfast to refresh and refocus the spirit of the community as a whole.*

**Celebrate**

**Educate**

*We host many events throughout the year that contribute to the education of our members. Our Eggs & Issues breakfast forums engage members with local government and business leaders on current issues. Our annual Leadership School facilitates learning in a collaborative effort to better professional practices.*
