

2021 LONG ISLAND NURSERY & LANDSCAPE INNOVATIVE GRANTS AVAILABLE

November 5, 2020

The Long Island Nursery & Landscape Association is offering an opportunity for innovators to apply for grants. Applications will be accepted from nursery & landscape professionals, students, clubs or organizations, colleges, universities & schools, research facilities, botanical gardens or arboreta.

Awards may be presented for; activities, projects, studies, programs, equipment development, courses, tours, trips or other endeavors that may qualify. Proposals must have some impact on the local; nursery, wholesale nursery, landscape or retail horticulture industry. In reviewing applications from qualifying institutions, the *innovative* nature of the request as well as the effectiveness of the proposal in enhancing learning in the field of horticulture will be considered.

Please note: all applications must be completed and postmarked by; February 12, 2021.

Sincerely,

Anthony Pignataro

Chairman

Grants & Scholarships Committee

Long Island Nursery and Landscape Association
