

Help Moms and Save Babies! Vote NO on SB 24!

Dear Assembly Members, state Senators, and Governor Newsom,

I strongly oppose Senate Bill 24, which would mandate all public universities to distribute Chemical Abortion Pills from their student health centers, killing babies up to ten weeks of pregnancy and hurting young women for a lifetime.

As Bishop Soto, President of the California Catholic Conference of Bishops, states:

“This is unprecedented intrusion on university campuses. It is unnecessary and only serves to further indoctrinate the young to the ideology of abortion. We must continue our efforts to stop this deadly piece of legislation. The womb should not become a tomb for any child anywhere in our state. Women and children deserve better.”

The legislative analysis estimates that 500 babies will be aborted each month if SB 24 passes.

Young women who are pregnant on campus deserve our help and support for the resources they need to complete their education, not more abortions.

Therefore, I strongly urge you to vote NO on SB 24.
