

State Highway 16

44 Interchange

Anticipated Construction Impacts

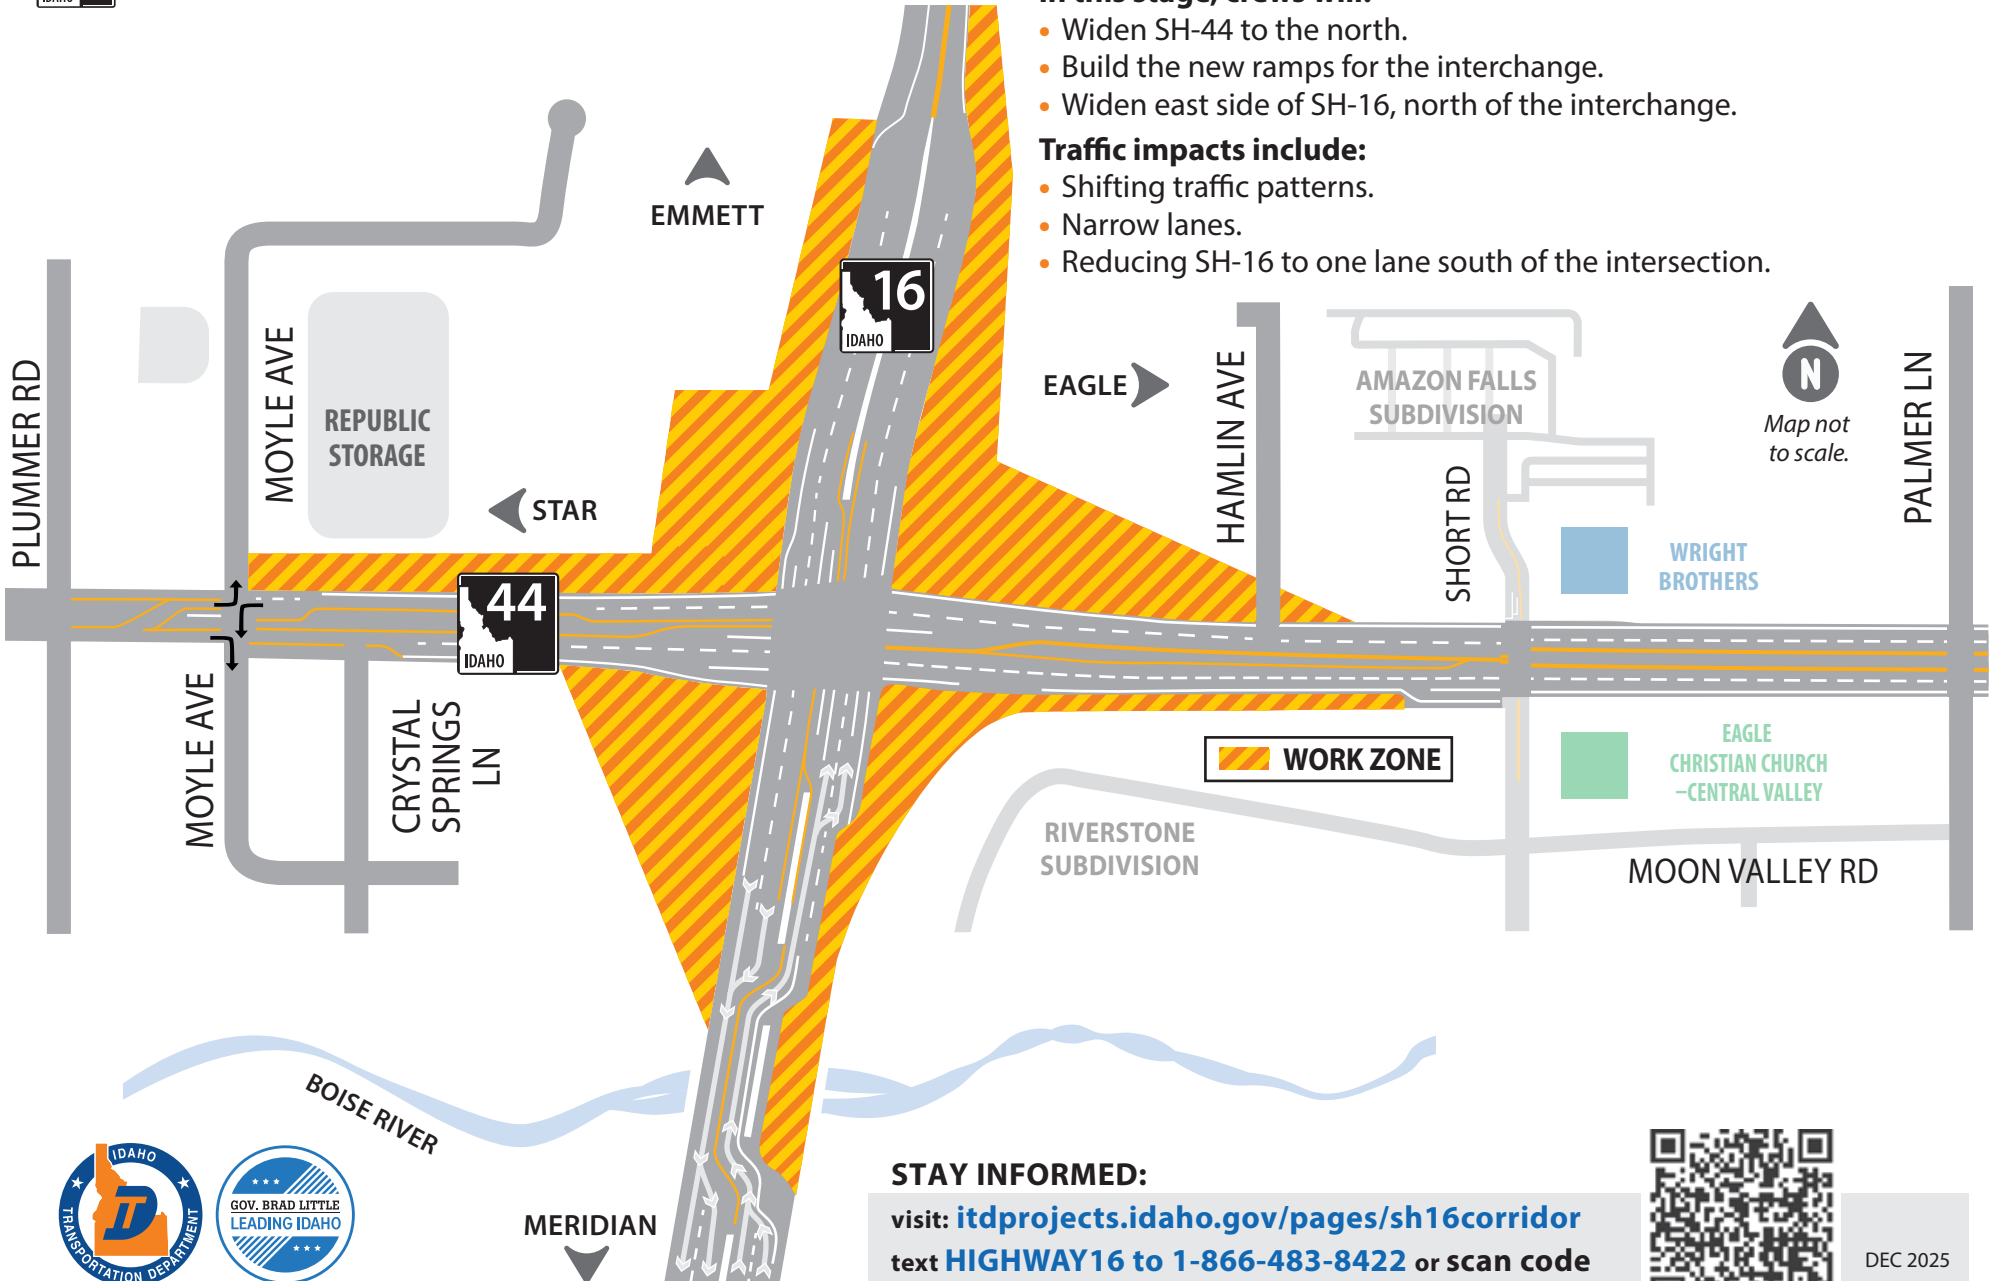

December 2025 to Spring 2026

In this stage, crews will:

- Widen SH-44 to the north.
- Build the new ramps for the interchange.
- Widen east side of SH-16, north of the interchange.

Traffic impacts include:

- Shifting traffic patterns.
- Narrow lanes.
- Reducing SH-16 to one lane south of the intersection.
